Join us for the 44th Annual Cebrin Goodman Teen Institute (CGTI) Leadership Conference!

The Cebrin Goodman Teen Institute (CGTI) offers you the opportunity to showcase your organization, products, services and programs to youth and adult mentors who are seeking opportunities to be catalysts for change in their school and community. We had over 500 participants register in 2017 which represented 37 different counties, 25 Community Action Teams (CATs), and 79 schools across Illinois. You have a chance to showcase your organization, business, college/university, or product while at the same time, you will be supporting the Cebrin Goodman Teen Institute!

CGTI is a youth leadership conference that offers opportunities for teens around the state to learn about leadership, healthy choices, and working with others to create better communities. CGTI empowers youth with the knowledge, skills, and confidence to lead an alcohol, tobacco, and other drug-free life by strengthening leadership skills and educating them to advocate for positive change within their school, community, and local government.

We will be holding a College and Career Fair as part of our exhibitor hall this year! This group of energetic young people is an ideal audience to draw young professionals into the behavioral health field and to connect with different schools, businesses, and organizations. The Substance Abuse and Mental Health Administration (SAMHSA) and NAADAC, the Association for Addiction Professionals have partnered with the Illinois Department of Human Services-Division of Alcohol and Substance Abuse (DASA) and Illinois Association for Behavioral Health (IABH) - Cebrin Goodman Teen Institute (CGTI) to bring this fair to hundred of teens from across the state.

How can YOU get involved?
