Why should you consider sponsorship?

IABH & the Missouri Coalition are hosting a day-long seminar on treating Obsessive-Compulsive and Anxiety Disorders in the Chicago (IL) suburbs and in St. Louis (MO). We anticipate more than 100 attendees/day at these trainings. The majority of the attendees are mental health clinicians and clinical managers. These trainings will provide you a low-cost opportunity to showcase your organization, products, services and programs to addiction and mental health professionals from throughout Illinois and Missouri. You will also be recognized for supporting the Illinois Association for Behavioral Health, the Missouri Coalition for Community Behavioral Health and their members.
